**Class Title:** Diamond Club

**Instructor:** Staff

## Supply List & Notions Featured:

Anita Goodesign cd Christmas Accessories will be our project for this month. The project is all done in the hoop and goes together quickly. The tutorial is complete and these ideas will make a very special gift for a friend or family member. The samples include the large and medium zippered bags. They are fun, fun, fun. Join us and get a head start for Christmas with no last minute rush.

Machine in good working order with your choices of designs loaded on your machine (or already on your embroidery stick); embroidery unit, electrical cord and foot pedal.

Thread, bobbins, & stabilizer needed for your choice of embroidery design(s).

Scissors and your favorite sewing supplies.

Fabric needed to complete project: Large bag:  
1/2 yard of red/ green fabric(not a print since the embroidery decorates the fabric)  
14" zipper ( not metal)  
Polyester organza-2 pieces enough to fit your hoop  
The organza is hooped and becomes the lining of your bag. No stabilizer is needed  
Metallic thread for the decorative stitches.

Call the store if you have any questions.
